## Message from the President—

CLAUDE SAUNDERS

*This year, the C.S.S.R.A. is holding its biggest regatta since its inception. The success of the association and its regatta reflects the hard work of teachers, coaches, parents and the high school oarsmen.*

*Whether they win or lose, the young men, competing today, have learned something of inestimable value to them in the future. Rowing is a sport that not only builds muscles but also teaches the admirable human qualities such as self-sacrifice, co-operation and devotion in a way no other sport can. Hence, rowing is going to have a strong influence in making the young man of today, a mature adult of tomorrow. The person with a rowing background will be better prepared to cope with that hazardous race known as life.*

*As a former oarsman, I know that every oarsman experiences the sweetness of victory and the bitterness of defeat. I should like to offer my condolences to the defeated crews and my congratulations to the victorious crews of this regatta.*

Sincerely,  
**CLAUDE SAUNDERS,**  
 President,  
 Canadian Secondary Schools  
 Rowing Association.
