MESSAGE FROM THE PRESIDENT

CLAUDE SAUNDERS

It has been my pleasure to witness the growth of high school rowing for the past fifteen years. Consequently, I can assure you that the crews, which are competing today, are better and more numerous than ever before. The calibre of the oarsmen has increased immensely during the short history of the C.S.S.R.A.

However, the members of the Executive of the C.S.S.R.A. are concerned not just with increasing the number and the competition of high school crews. It is their primary interest that rowing should not interfere with the academic activities of students. Rowing acts as a supplement of and not as a replacement for education. High school oarsmen are students first and oarsmen second.

This is the last year of my term as President of the C.S.S.R.A. I should like to take this opportunity to thank the teachers, coaches, parents and high school oarsmen who have made it such a pleasant and worthwhile two years.

Sincerely,

CLAUDE SAUNDERS,

President,
Canadian Secondary Schools Rowing Association.
